President's Message

Charles 'Chip' McLean

Brothers, by now I hope that all of you have recovered from our Convention held in Albany and have settled back into the normal routine of both your personal/family lives and your Hibernian activities; I for one am still getting my feet back on the ground from what proved to be a very exciting week. I would like to take this opportunity to thank all of you who believed in me and stood with me while I worked my way through the chairs to the office of State President. So many good friends and outstanding Brother and even Sister Hibernians were so very supportive and I will be forever grateful to them for placing their trust in me. I also add a great big thank you to my family, who took time out from their busy schedules to share the week in Albany with me and all of you.

Congratulations to the newly elected District Directors, all of whom have great potential, they can truly help advance the work of the State Board in all corners of our State. I look forward to working with them and expect great things from each one. Please, give them your wholehearted support, because with it

they can make each of the Districts in the State a model of Hibernian activities and values.

Good luck and thanks also go out to the Brothers who have accepted the various chairs that make up our multi-issued organization. Each one of them brings to their position skills and a certain passion for Hibernianism that will make them key elements in conveying information to our members on the local levels. Utilize these chairmen to benefit our Order. Just because they have received the medallion for the office doesn't mean they don't need your help. Contact them and utilize their skills or offer them assistance in advancing the work of the particular chair they are in. Don't sit idly by.

Congratulations also go out to the members of Rockland County who successfully put together a bid, as well as a very convincing presentation, for the 2011 State Convention. The Convention Delegates voted decisively for the Pearl River site. A hearty thank you goes out to the Brothers and Sisters of both Rockland County and Syracuse; who also dedicated much time and work in submitting a bid for the next Convention. Your State Board looks forward to working very closely

with the members of Rockland County to put together a great 2011 Convention. As a matter of fact, we will begin sit-downs with the members in Rockland very soon to begin that process.

It is my pleasure to announce that the Fall State Board meeting will be held on Saturday, October 17th in Elmira. The Board Meeting will be preceded by our Annual N.Y. State Pro-Life Mass to be held at St. Mary's Church in Elmira at 9 AM. The Board Meeting will be followed by the Fall Mixed Doubles Bowling that afternoon. The Brothers & Sisters in Elmira are hard at work preparing a great weekend for all of us. I ask each of you to make every effort to attend. Through my years as a Hibernian, I have found that you have to go far to beat the Elmira AOH/LAOH hospitality.

If anyone has digital pictures of the Convention, please forward them to our Webmaster Al Norton at NYAOH.com

Be safe and enjoy the rest of the summer ...God Bless.

Secretary

James Burke

Brothers, there is very little to report at this juncture. I am still in a transitional mode of wrapping up the finances of our recent State Convention before turning over the books to our incoming Treasurer, Tim McSweeney. That will take place very shortly.

I want to again thank you for the confidence that you have placed in me by electing me your State Secretary. I pledge to give you my best effort. In that role, I would like to remind all Divisions; and County Boards as well; that Form 9's not yet submitted are now well overdue. Please get them to me as soon as possible, even if there were no changes from last year. Thank you for your cooperation.

Remember the two upcoming State events. Our annual Jack Burns memorial golf tournament will be held in Middletown on September 26th, contact Dennis Browne at (845) 774-9436 for information. Also our Fall State Board meeting will be held in Elmira on October 17th. In conjunction with that, the Elmira Division will be hosting our 2nd annual Pro Life Mass and the annual mixed doubles bowling tournament which promises to be a great time. Mark your calendars and plan to attend these events. See you there.

District 3

Daniel Case

Brothers, I am delighted and honored to have been elected to the position of Director for District #3.

I would ask that the divisions within my district (if they have their division on line) either email me their newsletter or; if not; send a copy to me at my address P.O. Box 147 Baldwinsville, NY 13027. I need your meeting date, in this way I can see what is happening within my district area. Rest assured, I will be attending your meetings more that the required time set forth by the NY State Board.

Please keep in mind that this position is new to me and I am relying on you as my Brothers to keep me in the loop about things of concern to us and the Brotherhood. I will be with you in all matters concerning your relationship with the NY State Board, and will keep you informed of the happenings on the State level that have a direct impact on your division.

PLEASE feel free to contact me either by email, phone or US Post with matters that I can assist you with. As your elected officer I stand ready to be of any assistance.

District 7

John O'Herron

Congratulations to all newly elected and appointed NYS Board Officers. I myself am honored to have been elected as District 7 Director. I look forward to meeting with the officers and members of the divisions in my district as we work together to advance the goals of our order. Although regular meetings are suspended for the summer months, the divisions in District 7 remain active.

Broome County's Msgr. Donal O'Callaghan Division hosted an AOH Golf Tournament on August 8th and had a bus trip to a Mets game with Andy Cooney on August 13th. The division participated in an Our Lady of Knock Mass organized by Broome County's LAOH Division # 2 at St. Paul's Church in Binghamton on August 30th. Regular meetings resume on September 22nd.

Chemung County's Msgr. John J. Lee Division has adopted nearby Cypress St. Park and the City of Elmira has posted a sign acknowledging their efforts. The division will host its Irish Festival on September 19th and is active in organizing the 10th Annual Josh Palmer Golf Tournament scheduled for October

4th. Division President Mark O'Herron and Corporation President Jut McNerny are busy with preparations for the upcoming Pro Life Mass, AOH NYS Board Meeting and Mixed Bowling Tournament to held in Elmira on October 17th.

The newly formed Otsego County Division #1 in Oneonta has named itself, "The Fighting 69th." Under the leadership of President Bob Morrissey the division is making its presence known in the local community. They will hold their First Annual Halfway to St. Patrick's Day Party with music by Glen Ravel on October 26th at the Rainbow Inn in Oneonta. The proceeds of this event will be used to support the Wounded Warrior Project. The division is in the process of adopting a stretch of Otsego County Highway 47. Also a new website is in the works www.fighting69thAOH.com, which will offer a forum exclusively for AOH members. This forum will require a password where members are able to discuss AOH issues amongst each other excluding the general public.

Steuben County's Sons of Ireland Division has committed to a member rotation on the 5 o'clock hour for Perpetual Adoration each Tuesday afternoon at a chapel in St. Ann's School in Hornell. Hopefully this will start a trend for other divisions to follow. Also on St. Ann's grounds, the division hosted its Third Annual Irish Fest on August 15th featuring Pat Kane, the Drumcliffe Irish Dancers

and the Wild Geese as entertainment. Finally the division will run the 30th annual Irish Open Golf Tournament on September 26th.

As a member of the John J. Lee Division in Elmira, we offer our hospitality and hope for a solid turnout for the Po Life Mass as well as a productive Board Meeting and a successful Bowling Tournament.

District 8

Kevin R. Cummings

First, I would like to thank the outgoing state officers for their very successful and productive terms in office. Additional thanks go out to our Albany brothers for hosting another great convention. I congratulate my incoming fellow officers and wish them well over their tenure. As I assume the position of District 8 Director, I would like to extend special thanks to Phil Sheridan, outgoing District 8 Director, for all his support, guidance and advice during this transition.

Many district brothers are on well-deserved vacations and quite a few divisions have suspended meetings during the months of July and August. Come September, I look forward to working closely with our district divisions and plan on visiting as many as I can. I ask that they include me on their mailing/email lists so that I am kept informed of their meetings and events. I will attempt to attend as many as possible.

Congratulations to Rockland County on their successful bid to host the 2011 State Convention in Pearl River, and for holding another successful annual feis in July at Bear Mountain. Congratulations are also in order for our Brother Hibernians in Ulster County for holding the ever popular "Hooley on the Hudson" over the Labor Day weekend. Both events are yearly crowd pleasers and exemplary displays of Irish culture at its best. Keep up the good work!

I ask all Hibernians to support the Jack Burns Memorial Annual Golf Tournament which will be held on Saturday, September 26, 2009 at the Wallkill Golf Course in Orange County. Additional information, registration and tee-sponsor forms can be found on the NYS -AOH website.

Veterans Affairs

John M. Ryan

I want to take this opportunity to thank President Mc Lean for appointing me the new Chairman of Veteran's Affairs. As of the July Convention, this has become a permanent Chair of the State Board. County and Division Presidents are encouraged to appoint their own Chairman of Veteran's Affairs in their jurisdiction. In conjunction with the establishment of the Veteran's Chair a Veterans link has been added to the state web site at www.nyaoh.com/Veterans.html. The site contains much of the information I have reported

on in the past two years and contains links to many VA benefits and programs. We hope that this will not only keep our AOH Veterans informed, but will be used as a recruiting tool by Organizers in signing up returning Veterans.

THE POST 9/11 GI BILL

This bill differs in many ways from the "Montgomery GI Bill. You can download the bill from the Department of Veterans Affairs web site. Click on Education benefits. The Post 9/11 Bill is for individuals who have served on active duty for at least 90 days since Sept. 11, 2001 or individuals discharged with a service-connected disability after 30 days. It provides funding for tuition and fees, monthly housing allowance, and books and supplies. Check the web for further information.

Adopt-A-Soldier Platoon, Inc., P.O. Box 1111, Fair Lawn, N.J. 07410

www.adoptasoldierplatoon.org/
This is a 501 c (3) organization that regularly sends supplies and care cartons to specific soldiers or platoons overseas. It is a worthy activity for a Division or County Board to be involved in. They stay in direct contact with the soldier or the unit as their sponsor. The Christmas Season will be here before you know it. This is a wonderful project to be involved with.

HELP FOR MILITARY HOMEOWNERS

The stimulus package signed in February by the President con-

tains a provision titled *MILITARY HOMEOWNERS ASSISTANCE PROGRAM*. Benefits will be extended to certain military homeowners who bought homes before 7/1/06 and who sell homes before 9/30/12. HAP will provide assistance to military homeowners who receive PCS orders and are unable to sell their homes. HAP will also assist wounded warriors who must relocate due to medical reasons and surviving spouses of fallen service members who are forced to move.

Keep all our Veterans in your prayers. God bless America.

Charities & Missions

Arnie Nagelhout

I am grateful to President "Chip" McLean for appointing me to be the New York State AOH chairman of Charities and Missions during his administration. I held this position for 10 years before moving on to the National Board in the same capacity. Now I am back where I started. I have always felt the works performed and moneys contributed to others by all jurisdictions should be reported. We need to know the good we are doing as an Irish Catholic organization for our church, charitable institutions and the unfortunate in our communities and around the world. We should not be keeping this information a secret. A reminder to all, the National AOH bylaws require all jurisdictions to report their Charities and Missions work to the State and National Boards for tabulation of the Or-

der's work. This information is also beneficial to our Organizer in his recruitment for new members. Irish Catholics are interested in joining an organization that is doing some thing for the community they live in. To facilitate reporting of information there are 2 forms available on the NYS Web page. If you do not have access to the Internet, your District Director will have some copies you can submit.

With so many people in our country now struggling to survive the hardships of life during this economic down turn, it should be easy for your jurisdiction to come up with some kind of program to help the unfortunate. Consider a food collection for the local food kitchen and/or assisting in serving food. With the winter months not long off, how about a program to collect bed linens and blankets for the local shelter? Most parishes have a St. Vincent de Paul Society that is there to assist families get through a temporary tough time.

During the next 2 years I will be asking you to continue supporting the charities of our Order through "Hibernian Charity", programs include Project St. Patrick, Hibernian Hunger Project and Irish Way Scholarship Fund. Information will be coming soon about the Freedom for All Ireland Christmas appeal. Our state has been the largest contributor to this fund for years. In order for the New York State Board to make charitable contributions, please support the NY State calendar

program, \$25 per calendar. Chairman John Hennessy will have information available at the fall State Board meeting. Every jurisdiction should buy at least one; if you are a larger division; consider buying more than one.

If you have a Chairman for Charities and Missions please ask him to contact me with his name, address and phone number. If you haven't appointed a Chairman, and will be doing the work yourself let me know. You can email the information to me at: a41nag@verizon.net. If you are not on the Internet send the information to me at 8422 Munson Avenue, Niagara Falls, NY 14304. I look forward to working with each jurisdiction in the state to make this a successful 2 years. President McLean has authorized a "2009 - 2011 New York State Charities and Missions Award that will be presented to all jurisdictions that submit reports to this committee. You can use either the Single Event Form if you don't have much activity or the Long form to report quarterly, semiannually or annually.

F.F.A.I.

Tim Myles

I want to thank the worthy President for my appointment to this important committee. As chairman I have three goals. 1) To keep the brothers informed of any issues regarding a united Ireland. 2) To encourage 100% participation of NYS divisions and county boards in the National Board Freedom for All

Ireland Christmas Appeal and 3) have more NYS AOH participation in the annual Bloody Sunday Commemoration March and tour.

A campaign is underway to have municipalities pass resolutions supporting a united Ireland. This has to be done by local jurisdictions. Just like getting resolutions passed for Irish-American Heritage Month, this needs your involvement. Thanks to the brothers from Syracuse and Rockland Co. for their efforts in getting this done. Please work with your FFAI chair as well as PEC and publicity chairman. The National PEC committee has set up a United Ireland campaign and blog. To be part of this, contact Jeff Nisler at Jeff.AOH@Nisler.com.

More information will be coming from the National Board's FFAI Christmas Appeal. There is no reason why every division and county board cannot make a donation and/or have members join the \$10.00 club. As Hibernians we commit ourselves to support a united Ireland. I am planning a downstate fundraiser for the Christmas Appeal. This was done upstate last year and was a great success. I will need the support of District Directors, Presidents and FFAI chairman to make this effort a success.

The annual Bloody Sunday Commemoration March and tour will be the last weekend in January. A tour will be arranged by the national FFAI commit-

tee. It is without a doubt a very rewarding experience. This is where the Christmas Appeal funds are distributed. Besides marching in solidarity with the Bloody Sunday families, you get to bond with brother and sister Hibernians from all over the USA as well as the brothers of Board of Erin. Please think about being part of the tour or join us for the weekend and you can see how grateful the people are for our donations.

Finally I want to thank the former chairman Frank Corcoran as well as each Hibernian for your support. There are two Hibernians who passed recently and I would be remiss if I did not remember them. David Burke from Massachusetts who was a great friend, fundraiser and someone I could rely on for advice. This past week Kevin Smith, an Irish entertainer and Republican, died of a heart attack. Kevin was always there for any fundraiser. They will be missed.

Immigration

Dan Dennehy

I am honored to have been re-appointed Immigration Chairman by our NYS AOH President Chip McLean. I look forward to working with the new Board. The Immigration Caucus was very well attended and I have communicated with the participants since the Convention. Thanks to National Treasurer Jim McKay, State Organizer Ed Rice and Jim O'Brien, President Division 1, Erie for their assistance. Since the con-

vention, I have been working with our National Immigration Chairman Danny O'Connell to improve the Immigration section of our National AOH Website. The new page should be ready by the time you read this at www.aoh.com Thanks to Danny for attending our immigration caucus at the convention.

In the past, our Order has taken the lead on immigration issues for the Irish in America. This was accomplished by presenting a strong educated and unified voice. In order to achieve that goal, I am asking each County and Division President to appoint an Immigration Chairman. Your Immigration Chairman will liaison with the National Chairman and myself.

I am working with the Coalition of Irish Immigration Centers to set up a visitors program for Irish Immigrants held in US detention centers. Please contact me if you are interested in participating.

Irish Senior Helpline - Irish President Mary McAleese and our Irish immigration centers in NY have established a senior helpline to listen to the issues of our Irish seniors. The Irish Centers in New York have been working with the support of the Irish Consulate in New York to develop this valuable new resource for seniors in the New York area. The toll free number for the helpline is 1-877-997-5777

J1 Exchange Program – AOH members who are business owners and are interested in

employing an Irish student for one year as part of a cultural exchange program please contact the Irish Immigration Center's International Programs Department on 617-542-1900 ext. 38 or e-mail: JIWT@iicenter.org.

As I am writing, news of President Obama pushing Immigration Reform to 2010 is being reported. I believe that we will see immigration legislation bills coming, including one from Senator Schumer, within the next 12 months. It will be up to our membership to make our legislators act in our best interests. We must tell our legislators that AOH members and our families, live in and serve the nation and community, as well as contribute to the economy. Politicians listen to groups and organizations that meet regularly and VOTE in their city, town, county and State.

Tell them that we, the AOH, represent all like minded Irish Americans and Catholics and are willing to stand up for the future of our heritage and culture by promoting a fair and rational correction to the US Immigration and Nationality Act of 1965, which severely cut the ties between the US and Ireland.

Please let me know of any issues, questions pertaining to Immigration that you may have. I can be reached at (914)588-2710 or email dandenney@hotmail.com.

Organizer

Edward Rice

Hello, I want to introduce myself, Ed Rice, as your new State Organizer, and I want to express my appreciation and deep honor on being appointed by our State President, Charles "Chip" McLean. There is nothing more that I can say, but that I hope to meet his and our State Board's expectations. I wish my fellow State Board members best wishes in their pursuit of our goals for the next two years. I look forward to speaking with all our State Directors out there. We have a lot to do; so you can expect to hear from me soon. I have been a State Director, and currently, I'm back as Queens County President. So, I have to

take a deep breath. I will be in communication with our National Director, Chris Norris, whose committee chair is National Organizer.

During the State Organizer's committee meeting at the Convention, it was brought out how important it is for the Divisions to start the "organizing" ball rolling, with having organizing committees, getting the A.O.H. exposure in positive local events, utilizing grant money, and using a newsletter to set goals for recruitment and retention.

Again, I have to take a deep breath. But, let me say that my predecessor, Liam McNabb, has given me some good leads to follow-up on, and I really want to thank him for his help.

See you at the next State Board meeting. And, now I'm off to Grosse Ile.

Archives Committee

Jerry Callahan

We are setting up an Archives Display in our Hibernian Baile na nGael Headquarters. If anyone has any interesting artifacts to add to this display please contact me immediately. Some items I have come across include:

Delegates badges from the following conventions:
St. Paul Minn. 1941
Albany NY 1950
Brooklyn, NY 1939
Atlantic City NJ 1952
Troy NY 1946
Boston Mass. 1950

In addition I have acquired a reverse Hibernian ceremonial badge from Kings County Div 22 circa 1900. A St. Patrick's Day Parade By-laws from 1987 and a New York State By-laws, revised 1956.

Please call me at (917) 582-7171 to help add to this collection.

Buy Irish

Robert L. Flaherty

As we enter the fall, everybody I'm sure is real busy. Buy Irish is a new area for me, but I will do my best. I have been in contact with the last Buy Irish chairman, Paul O'Donnell, and we have exchanged information. I have several ideas to try and will be contacting division presidents.

I hope to produce an extensive list of Irish pubs and places to purchase Irish products, listing them by city, with their addresses, on our NYS web site which would help brothers visiting different cities to find places to go.

If you have any ideas or places to list, please drop me a line at Gelic46@aol.com.

The deadline for the December 2009 issue of The Empire State Hibernian is November 15, 2009. **All executive board members, directors and committee chairmen are encouraged to contribute.** Remember, without **your** input, there is no effective communication.
